**General Instructions
For Companies to Use Checklist**

TENNESSEE does not require HMO's to file with the NAIC.

Please Note: This state's instructions for companies to file with the NAIC are included in this Checklist. The NAIC will send mailing labels and other information to all companies but will not be sending their own checklist.

Electronic filing is intended to include filing via the Internet or via diskette with the NAIC. Companies that file with the NAIC via the Internet are not required to submit diskettes to the NAIC.

Column (1) (Checklist)

Companies may use the checklist to submit to a state, if the state requests it. Companies should copy the checklist and place an "x" in this column when mailing information to the state.

Column (2) (Line #)

Line # refers to a standard filing number used for easy reference. This line number may change from year to year.

Column (3) (Required Filings)

Name of item or form to be filed.

PLEASE NOTE: The *Annual Statement Electronic Filing* includes the annual statement and all supplements due March 1, per the *Annual Statement Instructions*. This includes all detail investments schedules and other supplements for which printed detail is exempted per the *Annual Statement Instructions*. This submission includes all PDF files for annual statement data.

The *Supplemental Electronic Filing* includes all supplements due April 1, per the *Annual Statement Instructions*. This submission includes all PDF files for supplemental schedules and exhibits.

The *June Electronic Filing* includes the PDF file for the Audited Financial Statements.

Column (4) (Number of Copies)

Indicates the number of copies that each foreign or domestic company is required to file for each type of form. The 1999 *Annual Statement Instructions* were modified to waive paper filings of certain NAIC supplements (those supplements previously included in the Electronic Filing Pilot Project) and certain investment schedule detail, if such investment schedule data is available to the states via the NAIC database. The checklists have been modified to reflect this action taken by the Blanks (EX4) Task Force. XXX appears in the "Number of Copies" "Foreign" column for the appropriate schedules and exhibits.

Column (5) (Due Date)

Indicates the date on which the company must file the form.

Column (6) (Form Source)

This column contains one of three words: "NAIC," "State," or "Company." If this column contains "NAIC," the company must obtain the forms from the appropriate vendor. If this column contains "State," the state will provide the forms with the filing instructions. If this column contains "Company," the company, or its representative (e.g., its CPA firm), is expected to provide the form based upon the appropriate state instructions or the NAIC *Annual Statement Instructions*.

Column (7) (Applicable Notes)

This column contains references to the Notes to the Instructions that apply to each item listed on the checklist. The company should carefully read these notes before submitting a filing.

DISCLAIMER:

This checklist is not an all-inclusive list of filings required to be made by TennCare HMOs under the terms of the TennCare Contract. The absence from this checklist of deliverables required to be submitted to the State pursuant to the TennCare Contract should not be construed as a waiver of that contractual requirement.
